Docket No. 98N-1265  
Food and Drug Administration MAR 24 P2:04  
5600 Fishers Lane  
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS:

My mother relies on an out of state pharmacy to provide natural hormones that are not available locally. Without these hormones, her severe PMS will return and her health will deteriorate.
